PROPERTY DESCRIPTION

Great family home on oversized lot in Grandville neighborhood. Lots of accents in this home, from the custome vanity in the 1/2 bath to the trellised climbing roses, you won't be disappointed! Two sound systems included - one in main level and out to the yard for great parties, and the second, upstairs in the master suite. The master suite has a large sleeping are and an inviting sitting area, along with a generous master closet and gracious bath with double sinks. The lower level is finished with a second family room/play room and a 4th bedroom or home office.
