## PROPERTY DESCRIPTION

Do not miss the inside of the beautiful ranch home - it is all about living out back! There are 3 sliders to the large back yard, one from the family room with fireplace, two from the dining area that has vaulted ceilings, lots of natural light. The kitchen is newly remodeled with beautiful cabinets, built in desk, snack bar, wine rack and more. There are also 3 bedrooms and 1.5 baths plus a formal living room to complete the main level. But wait, there's more downstairs with a second family room with room for that pool table and lots of entertaining space. See it today - at this price it won't be here long.
